

Kick-Off Camp

May 30 & 31

9am-3pm

New band members, leadership, colorguard, & percussion.

The purpose of Kick-Off Camp is to give our new band members the opportunity to get to know the band director, staff, and student leadership as well as get a head start on the music for next year's show.

Woodwind and brass students will work closely with Ms. Leimer and the rest of leadership to build a solid foundation towards learning the new music and goals to work towards while practicing over the summer. New band members will also complete their band placement evaluation (scales).

Colorguard and Percussion will work closely with their instructors and coaches on fundamental skills that will also develop into summer practice goals. Please dress in athletic clothing and shoes to go outside.

What to bring to Kick-Off Camp:

- Instrument/sticks/equipment/reeds/mouthpiece/etc.
- Water Jug (colorguard & percussion)
- Lunch (leaving campus for lunch is not permitted)
- Positive Attitude
